VALLEY CENTER HIGH SCHOOL

VALLEY CENTER, KANSAS

This is the school that spirit built...

This is the school that spirit built. However, remove the youthful vigor and what would a building filled with 450 teens be without the usual shouting, laughter and enthusiasm? It would resemble a desolate expanse of bricks, mortar and glass.

This is not VCHS. Valley High is a school of energy, vitality, young ideas and human emotions. There has been spirit; there is spirit; there will be spirit.

The halls are empty; the classes lack laughter; the game posters are torn down. Summer has come and the students are gone.

But their memory is retained in the annals of this book. The happy faces, the forgotten episodes of high school are relived as the alumni thumbs through the pages of memories. A friend, a teacher, a first love are brought to mind again.

To the students of Valley Center High School, we dedicate the '67 HORNET. May it live in the hearts of all to stir old reminiscences and revive cherished dreams.

"With age comes wisdom" but the world makes room for only the eternally young. It is to those we present the yearbook.

Take a fair-minded gentleman, three energetic females and one confused office. Put them all together and you have the administration of VCHS.

The tall man who "speaks softly and carries a big stick" is Prin. Dean B. Shoemaker. Displaying an even temper and continual self-control during even the most difficult situations, he is also appreciated for the little "signs" he displays in his domain. A typical one states, "These clocks will never be stolen, for they are watched every minute of the day by students."

Mr. Shoemaker attended Ottawa University and received his B.A. there. Journeying next to Emporia State Teachers College for his graduate work, the avid believer in youth ended his stay with the acquisition of a Master's Degree. This is Mr. Shoemaker's fourth year at Valley.

Conspiring with the principal are Mrs. Girk, Mrs. Harrison and Mrs. Johnson. Besides the usual secretarial duties of typing, shorthand and answering the telephone, they can be seen at a variety of other activities during the course of even an "ordinary" day.

Refereeing games between the faculty and students falls under the jurisdiction of a particular blonde. However, gift wrapping seems to be THE specialty of the trio as they supply humorous presents for faculty and staff to provide hilarity in the serious educational atmosphere. Too, the delightful soprano of a "mystery Mrs." can often be heard throughout the halls as announcements blare via the intercom.

"Hilarious" Hallmark cards are sent by the secretaries to add cheer where it is needed. A good example is a welcoming back card saying, "Glad to see you're back." (and your front, too!) Another act of good humor was making a courasge for a certain senior who jokingly complained she always had to buy her own.

Their last "known" deed of unselfishness was reading bedtime stories to students in the health room.

Administration, we take our hats off to you. Discipline combined with gaiety have helped students and faculty look at the brighter side even when everything seemed dismal.

VCHS FACULTY

It is a well known fact that every teacher at Valley High is one-fifth philosopher, one-fifth court justice, one-fifth medicine man and a big two-fifths comedian.

Plato himself had no greater challenging students than those that appear at VCHS every morning at 8:45 a. m. Besides asking the usual questions of "Why?", "How come?", or "Since when?", the students spend long sleepless nights thinking of unanswerable queries to trip up favored (?) teachers.

The technicalities of law are often illustrated in the course of an ordinary school day. The "professional Earl Warrens" on the Valley faculty merely take the justice proceedings in stride. From settling disputes over sunflower seeds to stopping the passage of notes, teachers remain unbiassed and diplomatic.

Following the ways of old, teachers are apt to mumble mystic chants, throw potent potions in the air, or wave magic wands to cure a student of "chronic headache," "constant upset stomach", or "continuing growing pains."

To round out the personality of the average VCHS prof, a good sense of humor is manditory. How many teachers would flip their lids or fall out of their trees if they didn't give way to a smirk or hearty laugh once in a while? Even Jack Benny never had it so good!

The students, future rulers of the universe, appreciate the patience and understanding of these twenty-five pillars of learning.

FRESHMEN

CLASS OFFICERS: Susan Kelly; Eddie Hayes; Margaret ReQua; Jolene Steeg; Loleen Highfill; Butch Earnhart; Beverly Scott.

Spirit is just beginning. . .

Leading the largest class of VCHS, the Class of '70 were Jolene Steeg, president; Margret ReQua, vice-president; Bev Scott, secretary; and Ed Hayes, treasurer. These officers, chosen in the annual fall election, aided their fellow classmates with innovating the various activities throughout the year.

The freshman students displayed great potential through enthusiasm in scholastic and extra-curricular activities.

Adding 49 to the Kayettes membership, 48 to Bible Club, 46 in Pep Club, and countless others in various sporting divisions, the class members also found places for themselves in ensembles and in the band.

Helping to bring recognition to their class, the young Hornet athletes and frosh cheerleaders added spirit to numerous events.

With class leadership and over-all school support, the newest group of VCHS terminated a successful year.

Second step to success. . .

Starting early in the school year the 117 members of the sophomore class were awarded second place during the Fall Festival for their imaginative float. Pride in their class standing merited such rating.

Several budding vocalists are included in this enthusiastic group. Choir accommodated 16 of the tenth grade class, and three promising students participated in Mixed Ensemble. Talented Jolene Purcell served as accompanist for A Cappella as well as Kayettes.

Sports attracted several of the male set. Four young athletes qualified to plan varsity football and about 15 boys maintained the B-team squad. Two of the four lettering varsity players also challenged basketball opposition, and 7 sophomores trooped the B-squad round-ball game.

Illustrating scholastic inclinations, ten students entered English themes for state competition.

Head sponsor, Mrs. Wilma Mahanna offered her guidance to the class of '69. Mr. Roy Young, Mr. Robert Gilpin, and Mr. Richard Sutphin also assisted the group.

With the enthusiasm and spirit this year's sophomores have shown, the school should prosper from next two years as the group's efforts unfold.

STUDENT-COUNCIL

The class of '68, under the avid direction of head sponsor, Mr. Howard King, programed a successful curriculum for this junior year.

Class leaders were Dick Howlett, president; Linda Box, vice-president; and Judy Wilson, secretary-treasurer. Mrs. Betty Youngman, Miss Joanne Deck and Mr. Oliver Stockdale also assisted in guiding the eleventh grade students.

Several financial projects were initiated to account for a total of \$600 in the class treasury. The industrious group hauled in from \$70-\$80 with a car wash, and profits from the annual magazine sales rounded out the treasurer's report.

Creative talent insured a decorative float for the Fall Festival. The dramatic segment of the group performed in a two-night stand of a mystery comedy, "Gazebo".

Chairman, Cheryl ReQua, organized the annual Junior-Senior Prom. Furthermore, these prospective seniors volunteered to buy flowers for graduation commencement.

Active in all sports and clubs, the tradition-spirited class of 112 strong, donned class rings as a symbol of true VCHS loyalty.

SENIORS

After four years, spirit is theirs...

MOTTO: PAR EPREUVE A TRIOMPHE (Through Trials to triumph)

COLORS: Blue and Green

FLOWER: Daisy

From frustrated freshman to now superior seniors, the class members of '67 experienced many memory-making events the last year of their reign.

Starting the year off right, 82 seniors and their guests attended the annual Senior Dinner. Surrounded by red cupids and arrows, the theme was "Hearts and Flowers." Entertainment was provided by impressions from John Black, Ark City, and a Wichita North High folk trio.

Another senior scene was the "salesmanship plus" magazine sales. Topping the juniors, '67 competitors held their heads high. Other highlights of the year were the senior play, "Oklahoma," under the direction of Mr. Loren Dysen and Mr. Ross Hearn, the Junior-Senior Prom, the Senior Reception and a special program for the girls, presented by the Business and Professional Women.

To leave their departing mark on the ivied halls of VCHS, the never-to-be-forgotten '67 seniors staged a riotous Senior Assembly, consisting of all the funny phases of their high school career. The final step, taken as though all were one, was when the class stepped out the door graduation night.

They may be gone, but their memory lingers on.

The senior girls saw to that!! No matter where you go, there's always a brightly painted sign or bridge that sports a gold '67.

What makes a successful school newspaper? Nineteen enthusiastic journalism students, a qualified instructor and loads of ambition are required.

After hard work and long hours to "meet the deadline," the journalists did find time for fun. To make their "good times" legal, the entire class joined the Journeyman. The club, in its second year at VCHS, has the sole membership requirement of a student being active in the journalism class.

A mad cap day in the Fall took the Journey-men to KAKE-TV, the WICHITA EAGLE AND BEACON, and the Wichita State University newspaper office. Despite the young reporters' various antics, they returned with valuable knowledge of the larger news medias.

A majority of the Journeymen were initiated into Quill and Scroll in the Spring. The national organization requires prospective members to take a test and maintain an overall B average throughout high school.

Tromping from one surrounding high school to another proved to be a favorite pastime for the weary students as they strived to carry out their '66-'67 service project. Interviewing past VCHS instructors and comparing area dress codes provided lasting experiences for the Hornet reporters.

PRESIDENT
SANDRA REXROAT

The student body looked to Student Council for guidance and leadership during the 1966-'67 school year.

"Upholding a democratic government, most of our time is consumed in discussion," exclaimed Mr. Noel Wallace, sponsor.

The Honor Banquet in May, a principle concert, involved fresh ideas and comments from all representatives.

Seniors Sandra Rexroat and Chuck Roush carried home new concepts after attending the State Workshop at the University of Kansas. The whole council participated in the Regional Workshop and Interleague Student Council.

Through Interleague, a ping-pong tournament was sponsored. StuCo members were also active in setting up scenery for Football Homecoming and allotted concessions. The group takes no concessions for itself but does sell popcorn at each home game.

School spirit was prompted at the beginning of the year with an all-school mixer. Also a bonfire and parade were included as part of their program.

Student Council's leaders were Sandra Rexroat, president; Chuck Roush, vice-president; Becky DeWeese, secretary; and Phil Nelson, treasurer.

BIBLE CLUB

Their spirit is to inspire, inform, and, strengthen. . .

A desire to study the Bible and a promise to endeavor to live daily as Christ would want are the goals toward which each Bible Club member aims.

To inspire, inform, and strengthen members for effective daily living, and to undergird secular education with an all-important spiritual foundation are the program objectives. Various activities fulfilling these included speakers from Gideon's and Alcoholic Anonymous, and a film about Christ in Youth. Furthermore, each year the religious organization plans the Thanksgiving and Easter school assemblies, inspiring all students and faculty in true holiday meaning.

Also, to promote total religious solidity the strains of spiritual music and scriptures were heard at the beginning and end of each week as the club presented devotions. A prayer meeting each Tuesday morning was open to all VCHS students who desired to study the word of God. Birthday, get well, and sympathy cards were sent at appropriate times.

Illustrating the necessity of fun in religion, social activities included a bonfire where songs were sung, marshmallows roasted, and the youth director from the First Bible Baptist Church, Jim Modlish, discussed Christ in our lives. The annual Christmas caroling party also combined fellowship with fun. Highlighting the year was the Spring Dinner March 14.

One of the main 1966-67 projects carried out by the 200 members was earning money to send to the American Bible Society.

Mrs. Ruth Dick, club sponsor, guided all activities. Officers were Susan Brandt, president; Nita Lewis, secretary; Judy Huckins, treasurer.

Striving to maintain the high ideals of their organization, 156 Kayettes boosted the club membership in 1966-'67.

The organization is only found in Kansas but is known nationally for its work in the school, community, country, and many parts of the globe.

For the tenth consecutive year, the group set its goal for a 1,000 point award, based on the participation in activities. The Club started the year with a membership drive in the form of a salad supper. Trick or treating for UNICEF on Halloween aided the cause as 108 dollars was collected. Valley Center businessmen were invited to a morning coffee in their honor on Dec. 21. A mother-daughter tea and an Orphan's party further illustrated the group's fellowship.

A mid-term dance "Flunking Fantasy" and a chili supper were some of the school service and finance projects. The girls also added a touch of white thumbs as they baked cookies and candy, sold as money-making projects to sponsor service programs.

Members, belonging to one of the committees--school, community, world, recreation, finance, and publicity--have diligently added the motto "Today for Tomorrow" and the slogan "Laugh, Love, Lift" to every project they have concluded this year.

The band of '66-'67 marched into the school year displaying spirit and vigor on the football field. Before the season terminated, the willing tunesters had performed in Wichita during Wichita Day and had journeyed to Hutchinson to attend the State Fair.

In tribute to National Education Week, the group trudged from school to school in the early morning light to assist in raising the flag.

For the Yuletide season, the musicians donated the melodic services of the Brass Choir to usher the Wise Men to Bethlehem at the annual Christmas program. December also introduced basketball season, and the Pep Band strove to boost spirit and to entertain sports fans.

The New Year rang a new addition into the music department--a Stage Band. Concert dates included one at Park School and a later one at the High School, in which the "ticket was split" with A Cappella Choir.

March winds and April showers swung in Mass Band and Spring Concerts. Contest followed closely and all members strove to reach an ominous goal--a No. 'I' rating! With the arrival of the event, the 87 smiling faces told the news of attaining the desired standing.

Take 83 vibrant voices clad in gray robes led by an enthusiastic director and the finished product is the A Cappella Choir.

Traveling to Derby and Circle provided an opportunity for the talented group to show its singing ability. Performing for the music departments at Friends University and Wichita State University also furnished valuable experience.

Yuletide spirit reigned as the choir again presented a Christmas Eve broadcast over KCMB-FM. It also participated in the annual Thanksgiving Concert and sang a few sacred selections at the Christmas assembly and all-school program.

The melodic group was honored by a request to sing at the State Soil Conservation Convention in December.

Completing the successful year was the Annual Spring Pop Concert May 11.

Ensembles, too, were kept busy displaying talents for various clubs and programs. The Chansonettes and Mixed Ensemble both appeared on KTVH-TV.

Ratings received at the District Contest at Circle March 16-17 from all three judges were ones.

PEP CLUB

The 1966-67 Pep Club "back-bone of school spirit," exhibited endless enthusiasm at athletic events throughout the year. The girls, 150 strong, formed the largest club in years.

Clad in purple-pleated skirts and weskets and long-sleeved white blouses, the pepsters endured sub-freezing football games with near-hurricane winds, then shifted to the hot and sticky muck of the basketball courts to cheer their "Hornet Heroes" to victory.

The dedicated band strived for the Chisholm Trail League Sportsmanship Trophy offered again this year, posters decked the halls as spirits ran high.

Aiding school spirit between game days the avid supporters sold sweatshirts, booster pins and numerous other articles.

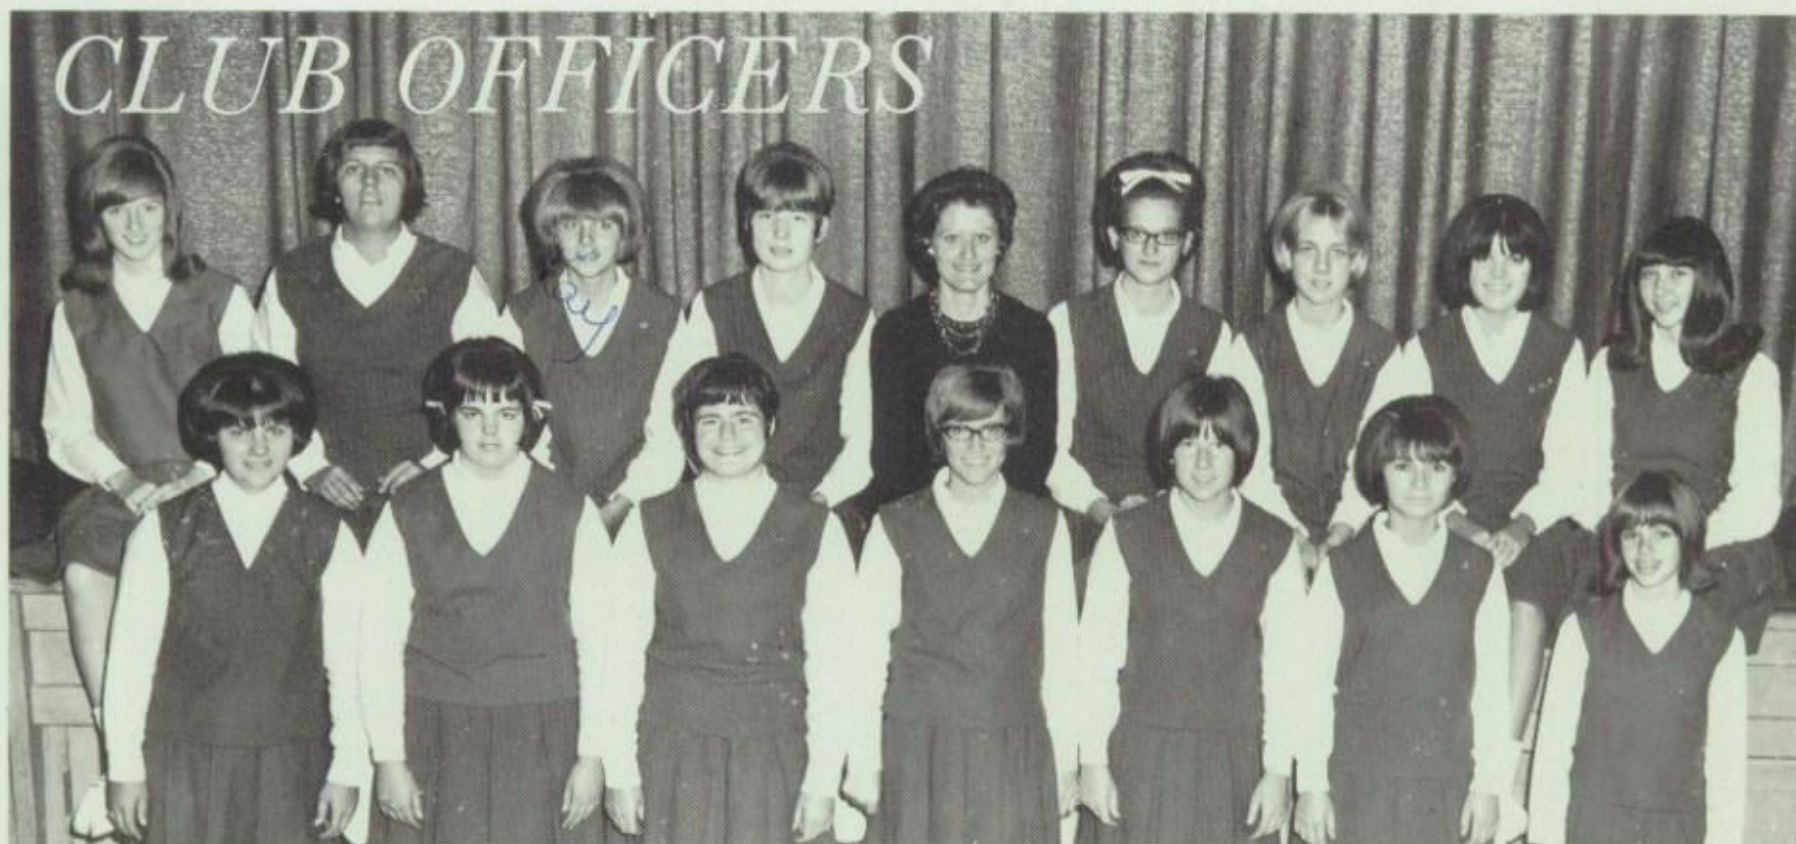

The fans fearless leader, Janice Thompson, senior, directed the 15-member board in business affairs. By selling candy after school and having concessions at several of the games, they made money for Homecoming festivities.

Two successful Homecomings were staged by the club, affording memorable evenings for the queens and attendants.

The six varsity cheerleaders, bursting with boundless bouyancy, never let the moral dwindle as they led cheers, organized pep assemblies and skits.

New cheers and pom pom routines were learned as the teens ventured to Norman, Missouri, during the summer. After perfecting the cheers in 140 degree temperatures, they came home to 10 degree football weather.

Although there were some disappointments in occasional game losses, the club enjoyed a memorable year of many victories.

Football Followers Face Future

"These are the times that try mens souls." There will be many opportunities during a lifetime for a person to prove himself, but for the athlete the time is always present.

Athletics are just a stepping-stone to the future, but by participating in these activities, a boy learns the discipline and respect he needs in later life.

Today's sports contender has a long way to go in order to reach his limit. His potential is bewildering. By exploiting the same concentration that won him honors on the playing field, the modern sportsman usually rates high scholastically in the classroom.

The challenge of sports have been met not only on the track but also in every other aspect of athletic competition. Plainly, the retching, gasping athlete of the past is gone, and in his place is a mature young athlete ready to go to the top of the world.

SENIOR MEN

The '67 record, on paper, contrasts well with that of '66--17-4, opposite 18-8. But, as any '67 fan can attest, those four defeats were not strategically placed--two came in tournaments!

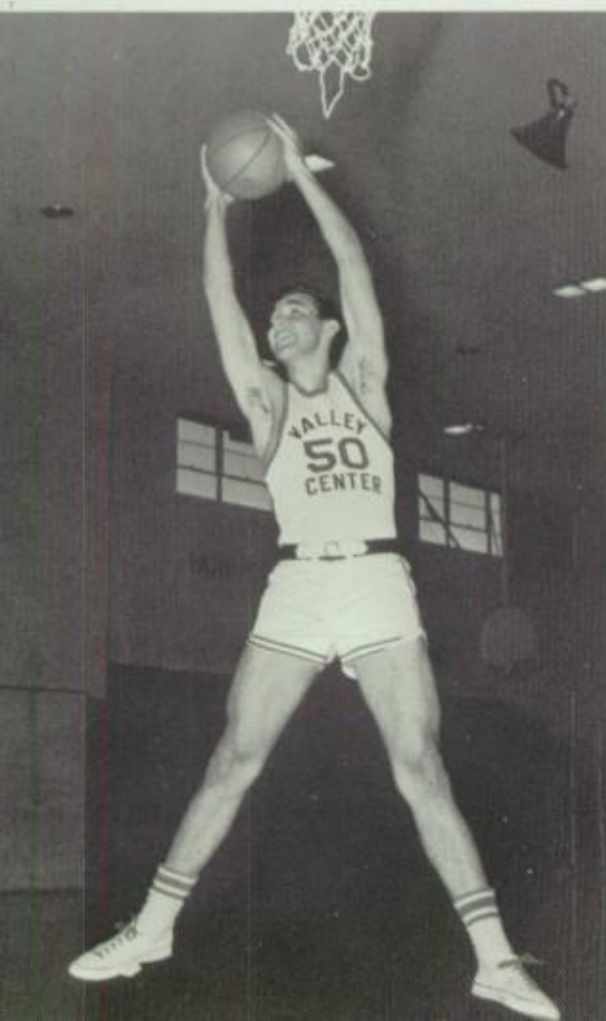

In spite of a first-round loss to South in The West Invitational, the spunky Hornets bounced back the next night to capture fifth.

The season's high-scoring contest came as the Hornets rampaged against Eureka in the Circle High Regional. This proved to be no true omen, though, for the VC five were battered by the Augusta Orioles in the second round of the close-fought battle.

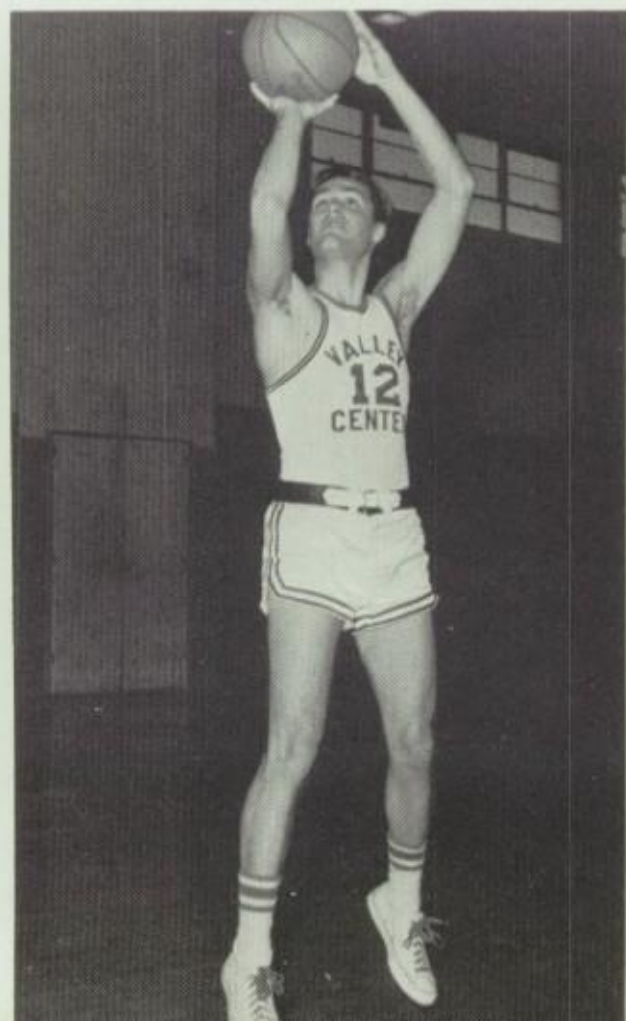

Again, the Hornets were back up the next day, to sting the Hillsboro Trojans, this clinching third in the Regional. The Orioles fell to the Buhler Crusaders, who then marched implacably on to take State.

A top-flight record held Valley in the Top Ten the entire season--an honor shared by only three other Kansas Class "A" schools. Parsons was one, ironically, another was Augusta--and the other, Buhler.

CO-VALEDICTORIAN

James Waldby is an outstanding debater and honor Thespian. As a sophomore, he completed a Summer Science Program in Engineering and Physical Science, class president, and lettering in debate.

Junior year accomplishments included attending a Summer Science Training Program for Secondary Schools which was sponsored by the National Science Foundation at the University of Missouri. James was also one of the six juniors accepted into the National Honor Society.

Senior year brought added honors for the bespeckled sportster. Acceptance into Quill and Scroll and National Forensics League, meriting sports editor of the school paper along with high speech ratings highlighted 1967 for James.

Academic achievement has included being high scorer in the annual High School Mathematics Examinations plus receiving the National Merit Scholarship which he will use to pursue a career in mathematical research at Michigan State University. Good Luck, James!

SALUTATORIAN

Sandra Rexroat, Salutatorian '67, has filled many positions during her four years at VCHS. Senior accomplishments include being selected as Student Body President and Girl Representative.

Besides being an excellent student, she has participated in several clubs: National Honor Society two years, Kayettes and Thespians four years, National Forensics League three years, and Pep Club one year. As a Junior, Miss Rexroat served as an officer on the Kayette Board and as vice-president of Thespians.

Sandra Rexroat, Salutatorian

Being active in speech and debate, Sandra was given a role in several plays, some of which went to state.

Future plans include a major in political science at Friends University in preparation for a teaching career. Our best wishes for success, Sandra!

CO-VALEDICTORIAN

Gary Fox's ability to make friends has made him an outstanding and active senior at VCHS after transferring from Garfield this year. Accomplishments have included Lettermen's Club, varsity football and being chosen Boy Representative.

Before attending Valley, he was vice-president of Hi-Y, a member of Stuco, and secretary of his sophomore and junior classes. Outside of school work, Gary was also active in 4-H eight years and vice-president of his Methodist Youth Fellowship.

Gary has participated in sports throughout his high school years: football four years, lettering three; track two years, lettering two; and basketball three years, lettering one.

The active senior did not limit his abilities to just academic skills, sports or leadership. He was an outstanding music student as well, receiving I- ratings in Brass Ensemble and a tuba solo.

Gary plans to attend McPherson College on a \$2500 scholarship. Good luck, Gary, in the future.

KALIEDOSCOPE '67

Monday May 15 marked the annual pop concert and also brought the tension-filled crowning of the 1967 Annual Queen.

Winning the coveted crown was Denise Hamilton who also received the robe, necklace, bouquet and the traditional kiss, bestowed by Chuck Roush, student body vice-president.

Miss Hamilton was flanked by her attendants, senior Carlene Dahlgren, junior Kathy Howard, sophomore Annette Houk, and freshman Debbie Terrill.

Serenading the new royalty, the Mixed Ensemble sang "The Shadow of Your Smile."

The Queen and her attendants were escorted to the stage to rein over the following concert.

Miss Hamilton was bedecked in a white crepe floor-length gown, accented by tiny rosebuds at the empire waistline.

Miss Dahlgren wore white crepe topped by white chiffon and matching heels.

The attendants donned pastel colors of pink, yellow, and blue to correspond with the kaleidoscope theme.

SOMEWHERE MY LOVE

"Somewhere My Love" provided the setting for the VCHS Football Homecoming in October.

As the three queen candidates entered the field in convertibles, the Pep Club formed a flower around the royalty. Lesta Riley, '65 Football Queen, was in charge of the little boy and girl who would make the presentations to the queen.

Susan Brandt, daughter of Mr. and Mrs. Alvin Brandt, escorted by senior Rick Brucker was crowned 1966 Football Queen. The squad presented her highness with a football signed by the members of the varsity team. As the radiant queen and attendants stood on the field, Mr. Ross Hearn, vocal instructor, sang "Somewhere My Love" in their honor.

After receiving the traditional kiss, Miss Brandt was led to the platform and seated in a gold throne where she reigned over the game. She was attired in a brown suit with burnt orange accessories. The '66 queen aspires to become a physical education teacher and someday hopes to include marriage in her plans.

The dance following the game featured the Coachmen, a Wichita Band.

Becky DeWeese, daughter of Mr. and Mrs. Fred DeWeese, received honors as 1966 Football Queen attendant. The tall brunette has devoted much time to extracurricular activities.

A member of Kayettes two years, the active junior is now serving as treasurer.

A two-year participant in Pep Club, she has attended games regularly, yelling with fervor for her favorite team.

This year the active coed has the added responsibility of reporting for the school paper, the HORNET'S NEST, and is serving as Art Editor. She also was initiated into Quill and Scroll, the National Honor Society, this year.

The popular teen, toiling as secretary of StuCo, is also a member of choir. But, royalty is not a new experience for this busy girl, for she was chosen as sophomore attendant to the annual queen.

Clad in a plaid, plum suit, Miss DeWeese was escorted by Dave Foreman, senior.

Becky DeWeese

Cheryl ReQua

Returning to Valley after an absence of two years, Cheryl ReQua, daughter of Mr. and Mrs. Riley ReQua, has had no difficulty renewing old friendships. This was proved completely as she was chosen as Football Queen attendant.

The blonde junior recently attended Wichita Collegiate where she was secretary of the Student Government, editor of the newspaper, photographer of the yearbook, and a member of both Bible Club and Pep Club. She was also elected as a cheerleader for two years.

This peppy teen is a member of VCHS Kayettes and Pep Club, and sings in Choir and mixed ensemble.

In outside activities the coed has participated in Rainbow and has been chosen to serve as Worthy Advisor.

Miss ReQua, wearing a predominantly brown plaid suit, was escorted by senior Mike Minerd.

1967

BASKETBALL

HOMEcoming

The world was truly Carolyn Johnson's, senior, as she was crowned 1966-67 Basketball Homecoming Queen. Miss Johnson is the daughter of Mr. and Mrs. Vearl Johnson.

Attending her majesty were Cheryl ReQua, junior, daughter of Mr. and Mrs. Riley ReQua, and Sally Carlson, sophomore, daughter of Mr. and Mrs. Duane Carlson. Miss ReQua was escorted by Marty Purkey, senior, and Bill Minson, senior, escorted Miss Carlson.

Donning white, floor-length formals accented by tiny yellow rose corsages and long blue gloves, the candidates entered into the enchanting wonderment of "The World Is Mine Tonight."

Carrying the bouquet of long-stemmed, yellow roses for Queen Carolyn was Brenda Nordstedt, daughter of Mr. and Mrs. Bob Nordstedt, and bearing the velvet crown of stars was Troy Derby, son of Mr. and Mrs. Frank Derby.

Connie Davison, 1965-66 Basketball Homecoming Queen, nervously opened the envelope revealing the queen's name. Miss Johnson's escort for the evening, Mike Wright, senior, bestowed the traditional royal kiss upon the lovely miss. Janice Thompson, Pep Club President, presented the basketball necklace and red velvet robe while applause and sighs of happiness emitted from the audience.

The Chansonettes, under the direction of Mr. Ross Hearn, vocal music instructor, completed the crowning with "The World Is Mine Tonight."

The royalty was then seated on their elaborately decorated throne amidst the stars, bedecked in blue and silver where they reigned over the Valley Center-Andover game.

Holding the position of Yearbook editor, HORNET'S NEST photographer and maintaining a strong A-B

grade average keeps Miss Johnson busy. The popular coed is also a member of Quill & Scroll, Pep Club, Bible Club, Kayettes and Journeymen and has held various offices throughout her high school years. The brown-eyed senior is Past Worthy Advisor of Rainbow and was previously a twirler for the VCHS band. Royalty honors are nothing new for Miss Johnson who was Kayette Queen Attendant and 1965-66 Basketball Attendant.

Experiencing her first year at VCHS after a two-year absence, Miss ReQua won many friends with her ever-present smile. Coming to Valley Center from Wichita Collegiate, the enthusiastic junior is currently worthy Advisor of Rainbow. The tall blonde is active in Pep Club, Kayettes, A Cappella Choir and Mixed Ensemble and was honored as 1966-67 Football Queen Attendant earlier in the year.

Taking a leave of absence from the varsity cheerleading squad, Miss Carlson cheered the team on to victory from the throne following the coronation. Being a member of Bible Club, Kayettes, Pep Club and A Cappella Choir, the petite sophomore is a popular figure at Valley High. Miss Carlson well represented her class during her freshman year, as the congenial teen served as a representative on the Student Council and was elected Freshman Annual Queen Attendant in 1966.

The three lovely misses held the world in their hands during the mystic night of the memorable Basketball Homecoming of 1967.

A FRIEND

The 1966-1967 Annual Staff would like to express a special thanks to Roy Myers, photographer of REMBRANDT STUDIO, for the pictures he has furnished during the school year 1966-1967.

A great deal of hard work, time and effort has gone into the preparation of this annual, and the staff would like to express its appreciation to the journalism students for providing the copy, to Mrs. R. Phillips for the generous use of her darkroom, to the VALLEY CENTER INDEX for supplying us pictures, and especially to the faculty and students of VCHS, without whom there would be no yearbook.

The editor would like to thank the assistant editor for her wonderful cooperation and assistance, and a very special thanks is also expressed to the fine staff who did a superior job.

Now, because the Yearbook has been placed into the school curriculum, the sponsorship will change hands; thus, the staff would like to express a very special thanks to a great sponsor for giving us the necessary encouragement and support. Thank-you, Mrs. Leland, from the '67 staff, and also from all the students who worked so closely with you in earlier years.

What's black and white and read all over?

A favorite among pre-schoolers, this "brain puzzler" has been modified by the '67 yearbook staff and now reads, "What's gold and white and read all over?"

Sporting a white grain and gold lettering, the VCHS HORNET cover is definitely unique. It took hours of "window shopping" and figuring of funds to determine the end result, but when the verdict was reached, the crew was satisfied.

But besides an attractive cover, a well-planned interior and exclusively-chosen division pages, what else contributes to a successful annual? An outstanding, completely organized? and devoted group is the usual consensus.

Now let's meet that group. Heading the list is editor Carolyn Johnson, '67. Keeping things running smoothly and efficiently, she also keeps the entire production in line.

Conspiring with the brunette, assistant editor Marcia Mitchell, '67, helps with the 3-R forms, picture layouts and every other "little" detail.

Senior salesmen Marty Purkey and Bill Vogt had that "do or die" gleam in their eyes as they hunted and sold ads, one of the main streams of finance, to Valley and Wichita area merchants.

Chris Rupp, '67 photographer, snapped pictures until her thumb was completely exhausted. Finding her family planning to move, the shutterbug discharged her duties to junior Connie Clark when Miss Rupp had seen her last school day at VCHS.

Completing the "group," typists Toni Rogers, '67, and Pauline Eads, '68, could be heard pecking away at stubborn keys "late into the sixth-hour night." Pauline also served as junior editor, pinch hitting in just about every area on the staff.

The right-hand of the operation, sponsor Mrs. Joan Leland was more than a casual "on-looker." Providing encouragement and a little "stimulation," the Commerce teacher also came up with the novel idea of a "yearbook party" for the staff members and their dates. It was greeted with approval and shrieks of laughter by the enthusiastic bunch.

Recovering from the antics of the party celebration, Miss Johnson and Miss Mitchell returned at the beginning of the '68 "era" to find a highly praised and satisfying HORNET being written in at the newly-initiated "signing party."

However, this crew is destined to be yet another land mark. Besides producing a great HORNET, the staff holds the title of being the last in the reign of volunteers. After the year, the duties will be handled by Journalism II students and their instructor, Mrs. Paula Simons. The change is to give the advantage of a scholastic credit and classroom curriculum to the participants.
